"Life isn't weird: it's just the people in it. The ones like you... but especially like me" - Unknown

"Go." - Jesus Christ

Live your life as you should, not only how you can get by with. Seek God in everything you do and remember that His will is only for good. Break every rule that does not concur with the Holy Spirit and remember to always follow the ones that do. Do this and you will find a blessed life.

"He hath shown thee, O man, what is good: and what doth the Lord require of thee but to do justly and to love mercy, and to walk humbly with thy God?" - Micah 6:8

Do not conform to the pattern of this world,

No discipline seems enjoyable at the time, but painful. Later on, however, it yields the fruit of peace and righteousness to those who have been trained by it.

Therefore strengthen your tired hands and weakened knees, and make straight paths for your feet, so that what is lame may not be dislocated, but healed instead.

Older age is when you

Regular naps prevent old

them while driving.

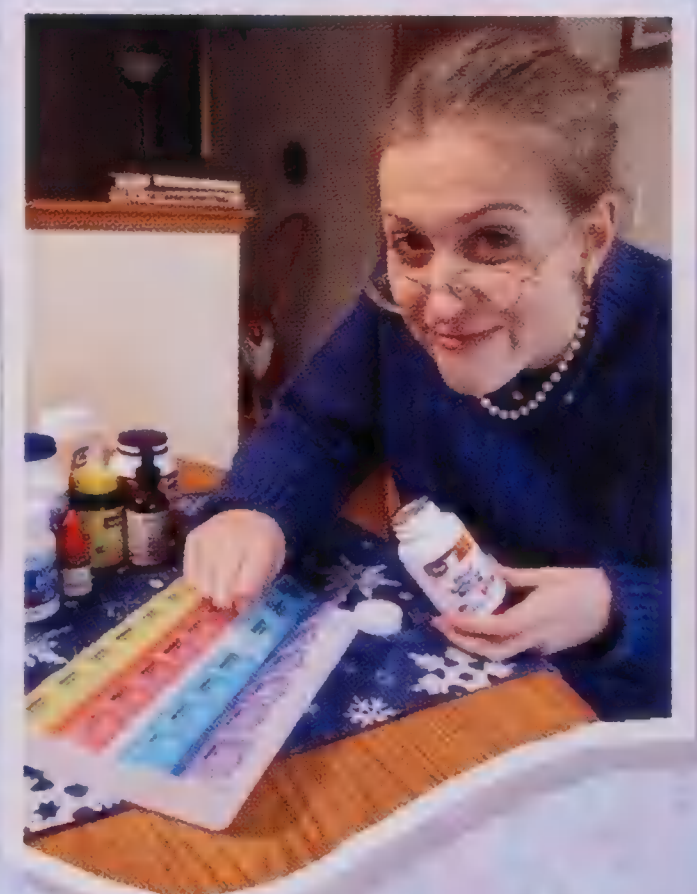

Time may be a great  
healer, but it is a

Advantages of being a senior citizen:

1. Kidnappers are not interested in you.
2. No one expects you to run into a burning building.
3. Things you buy won't wear out.

The Road goes ever on and on  
Down from the door where it began.  
Now far ahead the Road has gone,  
And I must follow, if I can,  
Pursuing it with eager feet,  
Until it joins some larger way  
Where many paths and errands meet.  
And whither then? I cannot say.

## Letter From the Advisor:

It has been my privilege to teach and guide this creative and outstanding student staff. As they selected a theme, I was pleased at how well it fit our homeschool community. As parents we strive to give our children strong roots, grounded in their faith. We look toward the day we can encourage them to spread their wings, hoping they'll soar like eagles. May each of the beautiful young people, on these 160 pages, pursue their dreams, rise above the challenges and make a difference in the world. I have loved this 5-year yearbook experience and am grateful for what I have learned and for the students and parents who caught my vision and ran with it. Thanks, Mrs. Kris Johnson (my detail-oriented facilitator), Mrs. Armentrout (who proofed many of our pages) and all the supportive parents. May this yearbook inspire you as it has me. ~Mrs. Debbie Hutchinson

## Letter from the Editor:

We were blessed with such a wonderful yearbook staff this season. I enjoyed seeing how over the course of this 2011-2012 school year we got to know one another and formed something like a family. From the graphics team to the finance managers, through the difficult deadlines, shared responsibilities, and the tedious work no one wants to do... the beautiful glue of teamwork made this year a marvelous year to be editor. I am so very proud of each and every one of our industrious team, and of the way this piece of art, this keepsake that is the yearbook turned out. Last but not least, I have been so thankful time and time again for our knowledgeable and extremely persevering yearbook teacher, Mrs. Hutchinson, and our very organized facilitator, Mrs. Kris Johnson, who were always on top of things in the most dire of moments. ~Rachel K. Hopke
